# HAPPY LABOR DAY!

## Our CEO's Message

Dear HMC Resident,

On September 11, 2001, almost 21 years ago, 246 people went to sleep in preparation for their morning flights. 2,606 people went to sleep in preparation for work in the morning. 343 firefighters went to sleep in preparation for their morning shift. 60 police officers went to sleep in preparation for morning patrol. 8 paramedics went to sleep in preparation for the morning shift. They all died heroes. The one thing we can all do is recognize their lives were not lost in vain. I ask you to join me in vowing to "never forget" and to continue living our lives stronger and more unified.

In memory of 9-1-1, Hunt Military Communities and Hunt Heroes Foundation is once again hosting the Patriot Essay Contest. This is open to any child between the ages of 8-18. We are looking to read the personal reflections from children who understand and embrace the importance of patriotism, even though they never experienced the tragedy of 9-1-1. Children wishing to submit their essay can do so at [www.huntheroesfoundation.org](http://www.huntheroesfoundation.org). Submissions are due no later than September 7th. Winners will be announced on September 9th.

As always, thank you for allowing us to serve you.

Semper Fidelis

**September 22nd is the First Day of Fall!**

## Friendly Reminder

With the days getting shorter, visibility when driving in the fall can be a challenge. Many people walk along the side of the road at dusk with dogs, on horses or riding bicycles, and they can be difficult to see. School is also in session so kids are out playing. Mornings tend to be foggy. Additionally, fall is a time when wildlife is more active and on the move. Slow down when driving, especially on curvy or narrow roads where visibility around corners is difficult, and pay attention to postings for animal crossings, and obey school zone speed limits.

## Congratulations!
