**Happy 4<sup>th</sup> of July!!!**

Independence Day forever unites the home of the brave and the land of the free proudly in celebration! To believe in the promise of a better tomorrow and stand united in our efforts to give a peaceful nation to our children and never take for granted the privilege of calling ourselves American.

“Give me death or give me liberty”- Patrick Henry, 1775

4<sup>th</sup> of July fun facts

Benjamin Franklin wanted a wild turkey as our national bird but the Bald Eagle outvoted him!

BBQs and 4<sup>th</sup> of July go hand in hand. Over 150 million hotdogs are consumed in U.S. each Independence Day!

**Hunt Update Happy Birthday!**

The Continental Congress approved the final wording of the Declaration of Independence on July 4, 1776, after working for a couple of days on the draft submitted on July 2nd and finally agreeing on all of the edits and changes.

Our community is comprised of new and traditional housing in seven distinct villages which exhibit the personality and rich history of Fort Lee and its surrounding area.

July 4, 1776, became the date included on the Declaration of Independence and the beautiful handwritten copy that was signed in August, 1776 - now displayed at the National Archives in Washington D.C.

**Maintenance Fireworks Safety**

What is the safest firework? IT'S THE ONE YOU DIDN'T LIGHT!  
Please remember that fireworks are not allowed in the community and the safest way to enjoy them is at a public display.

Even sparklers are dangerous – they reach 1500 degrees and aren't suitable for children.

Consider providing glow sticks to children to enjoy while watching public fireworks displays – with trained professionals and emergency response personnel on hand.

Please have a safe and happy Fourth of July. We really want to see you safe and happy on the Fifth of July, as well.
