September

You asked for it and this is the month we deliver! YARD SALE!! September 17th, 8:00 am - 12:00 pm. behind the leasing office. Have items just taking up space or looking for a new project? You may find it here. Bring all you have to sell or trade! See what treasures can be found and do some rummaging of your own! Tables and chairs will be provided along with doughnuts and orange juice. Call the office to reserve your table before the 14th. See you there!!

This event is open to the public so invite your friends to come and shop around!

Hunt Update

Fall means the annual CEL resident satisfaction survey is around the corner. We'll be delivering surveys the first week in October, so keep your eye out for an email from CEL. We rely on your responses to highlight what we're doing well and where we have challenges. Best of all, you'll have the opportunity to win some great prizes, including 6 months of FREE RENT!

A quick call to the office will ensure we have a valid non-military email.

Maintenance

A friendly reminder...

When putting in emergency or urgent work orders please submit them to the leasing office by phone. After hours your call will be re-routed to another office which will contact a maintenance tech to appropriately handle your request.

Once a work order is entered online it is automatically categorized as a routine. Emergency or urgent issues processed in this fashion are not guaranteed the immediate response time it may require.

It is our hope to offer the best in quality and effective service!
