Military Spouse Appreciation Day

A holiday since 1984, the Friday before Mothers' Day is Military Spouse Appreciation Day. While this may get overshadowed by Mothers' Day, consider doing a little something special for those military spouses alone on this day - a call, a card, an invite to happy hour in the driveway while the kids ride bikes. Encourage kids whose military parent is away to do something - make a card, make a book to read to the parent at home, plant a flower in a decorated pot, make anything with a kid's handprint on it.

Lots to Celebrate in May!
Mothers' Day, Armed Forces Day, Graduations, Memorial Day - Enjoy time with your family and friends and the unofficial kick off to summer!

Maintenance

Summer's just around the corner! Here are a few maintenance and safety reminders:

Give your air conditioner a test run to ensure it's operating properly. Don't wait until the first scorching day! Please initiate a maintenance request if needed.

Let Mother Nature cool your home - open windows on cool mornings and evenings, close windows and shades during the heat of the day.

Summer means more outdoor activities - be on the lookout for runners, bike riders and children playing. Don't forget sunscreen and bike helmets! Watch children around water. It only takes a few seconds of inattention and a few inches of water for tragedy to happen.

Ensure grills are attended by an adult when in use. Keep grills away from homes, fences, other structures, overhangs and trees. Have a hose or fire extinguisher within reach.
