ISSUE 12: December 2016

## Merry Christmas & Happy New Year!

### Christmas with Santa

Santa has checked his list twice and is driving his sleigh right into our Kala Club House this year! **Join the Quail Hollow community Saturday, December 10th, 3pm-5pm to enjoy Christmas crafts with plenty of snacks, but bring your camera to take photos of your little one with Santa!** This is a perfect time to bring your gift for the Toy Drive!!

Winter is officially upon us December 21st! To prevent your pipes from freezing remember to leave all faucets with a slight drip during any freeze warnings. Set your alarm clock a couple minutes early to allow for some extra time in the morning to warm up your car or to scrape off any icy buildup! And with cold mornings ahead so, too, comes warm, cozy nights! 'Tis the season to get those fuzzy socks out, goofy pajamas and your favorite holiday mug and enjoy some nice, hot cocoa and freshly baked cookies. Who knows, maybe your family will start a new holiday tradition and create a twist to the old classic recipes

### Toy Drive - Become a KTAB Santa's Helper

KTAB Big Country & Green Knights Motorcycle Club step up to benefit area children living in Non-Profit Agencies. Make a difference in a child's life just by donating a new, unwrapped toy of your choice. Our Leasing office will be accepting your generous donations all December and will be hauled off personally by the Green Knights Motorcycle Club to the KTAB station December 15th. We will gladly collect toys after that date, for any late donors who get in the spirit to give! It's all about family. Love. Peace. Joy. Go that extra mile to help someone out. Give more than you really feel like giving! It is our joy and privilege to participate in these efforts this Christmas.

Our office will be closed for the holidays December 23rd-26th & 30th-31st
