Veterans Day

It's the only day set aside each November to honor all Americans who have served and continue to serve our nation. On the 11th hour of the 11th day of the 11th month of 1918, an armistice, or temporary cessation of hostilities, was declared between the allied nations and Germany in WWI, then known as the Great War. Commemorated as Armistice Day, it became a legal federal holiday in the United States in 1938. In the aftermath of WWII and the Korean War, Armistice Day became Veterans Day. Today, we celebrate a day of peace.

We respect, thank & honor our service members & their families for the sacrifice you make year-round

Clocks Back or Forward?

Daylight Saving Time (DST) is the practice of setting the clocks forward one hour from standard time during the summer months (lose 1 hour) & back again in the fall (regain 1 hour), saving energy & making better use of natural daylight.

"Spring Forward, Fall Back," is one of the little sayings to help remember which way to set your watch. Abilene is in Central Standard Time, so be sure to set your watch back 1 hour.

U.S. inventor and politician Benjamin Franklin first proposed the concept of DST in 1784, but modern Daylight Saving Time first saw the light of day in 1895, when George Vernon Hudson, an entomologist from New Zealand proposed for a two-hour daylight shift.
