Happy Father's Day! June 18!

Father's Day has been celebrated for over 100 years! Give your dad a day that shows him just how special he is to you.

When World War II began, advertisers celebrated Father's Day as a way to honor American troops. Retailers redoubled their efforts to make Father's Day a "second Christmas" for men, promoting neckties, hats, socks, pipes and tobacco, golf clubs and other sporting goods and greeting cards.

Today, it's estimated that Americans spend more than \$1 billion each year on Father's Day gifts.

Grill Safety

There's nothing like outdoor grilling. But, a grill placed too close to anything that can burn is a fire hazard and half of all grill injuries are thermal burns.

Safety Tips

- *Place grill well away from home, deck railings and out from under eaves & overhanging branches.
- *Keep children and pets at least 3 feet away from the grill
- *Keep grill clean, remove grease, fat
- *Always make sure your gas grill lid is open before lighting
- *Never leave your grill unattended.
